I'm new.

Who is the Catholic Church for? -

We are for you!

We are a bunch of people trying to do our best to love Jesus.

We don't have it all together, so don't stress about it!

With the guidance of our clergy, we can figure it out together!

What should I wear? -

Clothes. That is all we ask.

We don't really worry about what a person is wearing
on the outside, we care about their heart,
and what God can do for each of us on the inside!

What to expect? -

At either of our churches, you'll be welcomed into a friendly,
casual environment by people who are excited to see you!

We want you to have an idea of what to expect when you arrive
at either

The Church of Our Lady of the Annunciation

or

Holy Family Church.

All you have to do from here is come as you are
and find out more for yourself.

At each weekend service you can expect :

A friendly, casual environment.

Thought-provoking and engaging messages based on the Bible.

Worship music and hymns.

Fun teaching for your kids.

Each service (Mass) usually to last just over an hour.

I'm new.

We know that everyone's faith journey is unique; there is no one-size-fits-all approach.

Jack's super traditional. Mary likes praise and worship. Martin enjoys nature and a good bible study. And Julie, well, she's just looking for some cool people to hang out with.

If you're new to the area, your faith, or just not sure where to start, follow our basic journey below as a guide.

Try a couple things, see what you like, and choose the place that feels like home.

If you're not finding what you're looking for, please reach out and let us know.

You are our priority and we will stop at nothing to help you grow closer to God and this community.

We're Stronger Together

As Catholics we know that the body of Christ is made up of many parts. There are many groups, initiatives, and events available to us, but we also know that there are many capable people and amazing ideas in the minds of our newcomers, lapsed Catholics and fellow Catholics.

If you have an idea, a question, a suggestion, or want to see how you can be more involved, please reach out. We want to hear from you.
